

Got Prospects to Sell?

WE WANT YOU FOR THE 2nd ANNUAL *REAL DEAL* MID-CONTINENT PROSPECT EXPO

September 30, 2009 [9am - 5pm]

Clarion Meridian Hotel & Conference Center, 735 South Meridian Avenue, Oklahoma City

This event promises to be even bigger and better than the 2008 Expo. The Real Deal Mid-Continent Prospect Expo is brought to you by the *Oklahoma City Geological Society (OCGS)* and the *Oklahoma Geological Survey (OGS)*.

This expo is designed to address the needs of the mid-continent geological community, including geologists, consultants, engineers, geophysicists and landmen. Plan to come mix, mingle and network at a reasonable cost (\$30 for attendees, \$100 per prospect booth, and \$500 for an exhibitor/vendor booth.)

Host a booth to sell prospects, a vendor/exhibit booth to network, or plan to sign up as an attendee to network, shop for prospects, and listen to presentations by *Dan Boyd, Oklahoma Geological Survey*, and *Jim Puckette, Oklahoma State University*.

Attendees of the 2008 Real Deal Expo were very pleased with the success of this event:

Steve Harris, Okland Oil, said: *"It's a good opportunity to view a variety of local Mid-Continent prospects right here at home in Oklahoma. I definitely plan on participating in the 2009 event!"*

Stan Cunningham, Kepco Energy Inc., agreed, adding: *"Everyone was very knowledgeable and interested in what we had to offer."*
