PROSPECT**

community of the entire ARK-LA-TEX region. We are anticipating over 500 attendees at **2020 TECH & PROSPECT EXPO**. There will be a drawing for door prizes in the afternoon at 3:00pm. Each Registrant will receive one chance for door prize with paid admission. Additional chances will be offered at sign-in at \$10.00 each. The cost to attendees will be \$40.00 (\$50.00 at the door).

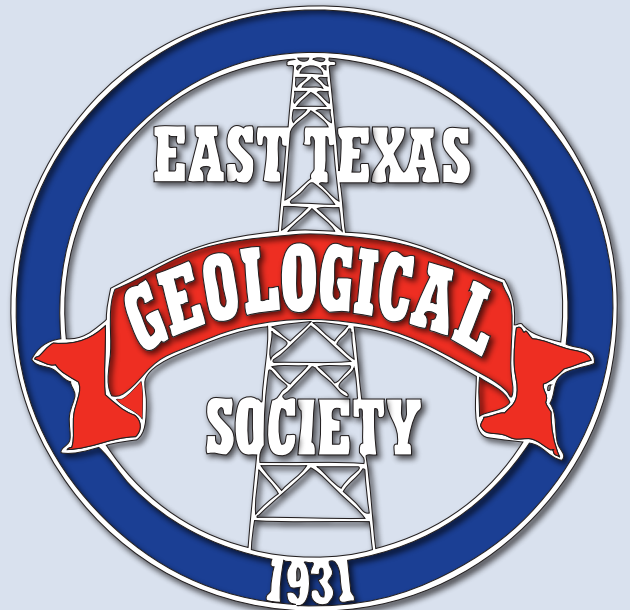

GUEST SPEAKERS

10:00 am- Kenneth S. Waits, CEO Mewbourne Oil Company
TOPIC: A Journey Through Risk Country

Kenneth S. Waits received his Bachelor of Science degree in Petroleum Engineering from the University of Oklahoma in 1983, and pursued graduate business studies at UT Tyler in 1988. Upon graduation from OU, he joined Mewbourne Oil Company as an engineer in its Woodward, Oklahoma operations office. After serving in numerous roles, including managing all of the company's exploration efforts, Ken was promoted to Vice President in 1996, Chief Operating Officer in 2002 and President in 2010. Ken now serves as the President and Chief Executive Officer of Mewbourne Oil Company.

1:30 pm - John Howie, SVP Upstream Tellurian
Topic: Growing Global Demand for LNG

John Howie has over three decades of experience managing and investing in upstream energy assets, deploying ~\$2 Bn in equity and debt across 80 + companies and projects. He was most recently president of Impact Natural Resources, a private upstream company with production in the Gulf Coast and Permian Basin and evaluations in select North American basins. He was a Founder of Parallel Resource Partners and a member of Board of Managers and the Investment committee of the \$700 million private equity fund. He led Goldman Sachs E&P Capital, a staff of technical and financial professionals, investing over \$1 Billion in upstream opportunities. He served as a Managing Director at EnCap Investments and held engineering, finance and management positions with Range Resources, Apache, and Amoco. John has a B.S. in Chemical Engineering from New Mexico State and is a Professional Engineer in the state of Texas, member of Society of Petroleum Engineers, The Society of Petroleum Evaluation Engineers and the Houston Producers Forum.

Like previous years, this price will include lunch, drinks and refreshments for morning and afternoon.

The cost to the vendor/exhibitors for this one day event will be **\$350/BOOTH**. The cost for prospects will be **\$250/BOOTH**. As a vendor/exhibitor your company will receive two complimentary entrance passes per booth ordered (these passes are **NOT** eligible for door prizes). Your company may also purchase additional entrance passes for \$40.00 each (Eligible for the door prizes) to hand out to encourage clients and friends to visit your booth. Proceeds from the Expo will be used to fund the ETGS Scholarship Fund for Geology majors in Texas.
