

**EAST TEXAS GEOLOGICAL SOCIETY
TENTH (NO LONGER) ANNUAL SKEET SHOOT
ROSE CITY FLYING CLAYS: Tyler, Texas
SATURDAY, APRIL 30, 2022**

REGISTRATION:

Name: _____

Lady: _____ **Youth(13 & under):** _____

Company: _____

Contact phone number: _____

E-mail address: _____

Gauge: **12** _____ **20** _____

Shooting and lunch: _____ **lunch only:** _____

Preferred shooting time:

8:00 AM _____ **9:00 AM** _____ **10:00 AM** _____

11:00AM _____ **12:00 PM** _____

Rose City has 4 fields so we will have 20 shooters per hour. If we have over 100 registrants we will start a 7:00 AM squad. Shooting times will be assigned on a first-come first-served basis. In no event will over 120 shooters be registered. Eye and ear protection are required.

A check payable to ETGS for \$100 (shooting plus lunch) or \$30 (lunch only) per shooter must be included. Shooting will be in squads of 5. If you have a group that you wish to shoot with; either return all registrations together or attach a list of the shooting participants. Skeet is a very family friendly sport. Please bring your spouse or youth to participate. If there are enough ladies and youth registered there will be HOA (High Over All) prizes for each of those classes as well.

Entry deadline is Friday April 22, 2022. After that date, registration will only be allowed on a space-available basis and fees will be \$120(shooting plus lunch) and \$35(lunch only).

Return entries to:
